## **To All Secretaries of Agent Chambers/Members**

### **Circular 693**

#### **United Arab Emirates – Ban on Frozen Poultry Products**

We have been informed by the United Arab Emirates Embassy in London that with immediate effect all frozen chicken breast meat treated by the (Hydrolysed Animal Proteins) from cows and pigs animal proteins to maintain water, and processed in the United Kingdom, are prohibited, unless it is accompanied by a health certificate stating that the exported consignment is free from any Animal Proteins injection.

Thank you

A El-Idrissi  
Director of Trade Services
