Circular 701

Iraq – Certificate of Origins, Commercial Invoices and Health and Safety certificates

We have been informed by the Embassy of The Republic of Iraq in London that with immediate effect legalisation of all documents emanating from outside the EU will not be legalised in the UK.

Furthermore, we have been advised that legalisation charges of all documents will be levied at \$ 160 (One Hundred & Sixty US Dollars) per page. We are therefore, advised, that the conversion rate will be in accordance to the daily exchange rate.

It would be useful that you apply for a daily rate from our department on daily basis.

Thank you for your co-operation

A El-Idrissi
