Circular 723

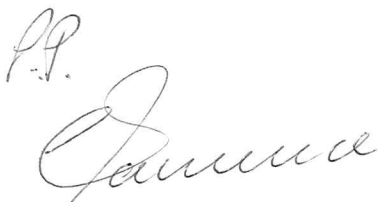

Iraq Update

Further to our previous circular 722. We have been informed by the Embassy of the Republic of Iraq that all goods supplied under contracts awarded by the Iraqi Government only, will be exempt from the new requirements, with the exception of the Certificate of Conformity.

Therefore, documentation requirements for such consignments will remain as before, i.e. Arab British Certificate of Origin, Commercial Invoice and Certificate of Conformity (where applicable).

The new requirements outlined in circular 722 will still apply to all other private sector shipments to Iraq.

Thank you for your cooperation

A El-Idrissi
Director of Trade Services
