## Notice to Members of The A-BCC

### Circular 675

Dear Member,

As part of our ongoing commitment to simplify, support and facilitate the export documentation process for your company, the A-BCC is proud to announce that yet again the certification charges for documentation will remain unchanged for the forthcoming financial year for member companies.

The charges have now remained unchanged for several years running, offering you a distinct financial advantage.

As we continue to strive to improve existing services and add new benefits for our members, we would like to offer you an EUR1 certificate service. To be able to offer this service, we are required to make an application to the British Custom authorities and the British Chambers of Commerce and in doing so need to demonstrate that a real demand exists among our members and stakeholders.

If you believe that having an EUR1 service would benefit your company, please email at [El-idrissi@abcc.org.uk](mailto:El-idrissi@abcc.org.uk), or write to us without delay.

**We thank you for your continued support of the Arab-British Chamber of Commerce.**

A El-Idrissi  
Director of Trade Services
